

# Job Application

So you think you have what it takes to be a part of the Melrose team. Well that's a good start, so now you must print out the application and fill in by hand in pen to the store during normal business hours, except Saturday. **DO NOT TURN IN YOUR APPLICATION ON SATURDAY.** This application must be accompanied with the requested recommendations/referances and a color photo of applicant (non glamour shot and alone) attached to the application. Don't put it off, as we hire months in advance. Experience and age aren't as big a factor as you may think, seeing as most of our part time help has a work permit. **GOOD LUCK!!**
